

## OUR EXPERIENCE IN THE SPORTS SECTOR

Adding real value to our clients through our significant experience within the sports sector.

Nationally, we advise a broad range of clients in the sports sector, from providing individual players and athletes with personal tax and financial planning advice to auditing and advising clubs, not-for-profit sporting bodies, national organisations, coaches and agents.

Our experience extends across many professional sports including football, rugby, golf, cycling, cricket and motor racing.

### OUR RUGBY CREDENTIALS

UHY support some of the UK's leading stars from the world of UK and international rugby. With more than 80 top flight professional rugby players on our books, including ten members of the Lions Squad and UK based international players from the New Zealand, South African and Australian national teams, we are one of the leading UK advisers to the world of rugby.

### UNDERSTANDING YOUR CORE ISSUES AND CONCERNS

Our experience in the sports sector includes auditing national clubs such as Commonwealth Games England, British Paralympic Association, Disability Sports Wales, Hockey Wales, Badminton Wales and Gymnastics Wales, auditing professional football clubs, community sports charities, commercial golf clubs, gyms and sports and social clubs, as well as Sebah Automotive Limited, which manages the FIA/World Endurance Championship team Rebellion Racing.

### OUR WORK WITH NATIONAL SPORTING BODIES

We also support more than 50 professional football and rugby players with their personal tax, and have assisted high profile players with tax investigations and Image Rights, as well as helping Premier League football clubs in financial difficulty.

In addition, we act for a number of sporting bodies, such as the **Sport and Recreation Alliance**, the umbrella body for sport in the UK which represents 320 sporting organisations, **Commonwealth Games England**, the body which leads and manages the participation of the England team at the Commonwealth Games, and the **British Paralympic Association**, the national paralympic committee for Great Britain.

### SUPPORT FROM OUR DEDICATED NATIONAL SPORTS GROUP

We recognise the challenges that sporting organisations face and, whilst we appreciate that each client's circumstances are unique, there are a number of financial and business issues common to most sports players, agents and sporting bodies of which we have a deep understanding.

As such, we maintain a national sports desk which comprises our sector specialists from across our UK offices who meet on a regular basis to discuss issues affecting the sports sector.

Our relevant experience and national expertise, along with the long term relationships we develop with our clients, enables us to understand the challenges faced by clients within the sports sector and to offer advice based upon real understanding and experience.

Whether at the beginning of your career or entering retirement, we understand the pressures of being a sportsperson.
